## DITCH THE DARK DAY

Our Ditch the Dark day was a great success. The weather was lovely and we were all able to enjoy the outside disco. Many thanks to Miss Mullan our Sustainable Travel Co-ordinator and Miss Haggan for providing the music. Mr & Mrs Caldwell provided the children with super party bags. This was very kind and much appreciated!

## SCHOOL FUND

We are asking that parents send in a school fund contribution of £10 per term, per child up to a maximum of £20 per term, per family. This will greatly assist as we depend on school fund to pay for some essential resources

## PUNCTUALITY

I am aware that some children are often coming into school late. Please be aware that the school day begins at 8.50am for ALL pupils and lateness can affect the child's attendance record. It can be very disruptive for the child and is not a good start to the day.

## MOBILE LIBRARY

We are delighted to let you know that the school mobile library service is resuming on Monday 8th November for P4-7 pupils. Reading is so important and this provides the children with access to a fabulous range of texts.
